NewsFlash October 2010

Dear Friends of the Danish Club,

A BIG THANK YOU to all our helpers at the Eurofest in September which was a huge success for the Eurofest Association and shows the keen interest the community takes in the diversified culture of our society.

We couldn't do it without our precious helpers. The money we generated from our hotdog and bar sales is a boost to our deflated coffers, so thank you everybody.

And a big thank you to Hanne and Gourmet Viking for serving fantastic lunches on Saturday and Sunday. And without the sausage bread baked by Sten in Dee Why we couldn't have sold all the Hot Dogs.

Thanks to everyone who came.

AGM AND FUTURE OF THE DANISH CLUB

Make a note in your diary about the upcoming AGM on the 28th November 2010.

If you are interested in the future of the Danish Club then this is your chance to hear and comment on Club matters, on activities in the joint Scandinavian Association, and your chance to influence what is happening in the Club.

We need new members on the committee to tackle the events in the Club for 2011. Don't be shy, you can make a mark on our future and contribute big or small.

As this year hasn't been the most uplifting when it comes to support from the Danish Community there will be a few things to consider for the future.

Can we afford to keep the Club House, as it has become very expensive to run and the expenses will keep on rising, electricity and rates are increasing and there are other factors too. So please come to the AGM and let us know what you think but you don't have to wait until then let us know by e-mail what your thoughts are about it all.
